

Event Parking

- There is parking available around the venue for our event but, as it can be used by several organizations and the general public, it can be limited.
- Please respect all parking rules and regulations and all private property.
- Exercise caution when crossing any roadways to get to, or when leaving, the race venue. Traffic around the race venue will not be controlled except during very specific time periods.
- On Sunday, September 24th, 2023 access to the parking lot next to the Government house and the small craft aquatic center will be restricted from 07:45 a.m. until 09:30. **You must enter this parking lot before 07:45 a.m.** Once parked in this location expect to remain in the parking area until at least 09:30, as the various running events all run past the entrance to this parking area.
- There is also ample parking surrounding Wilmot Park which is across Woodstock Road from the race venue. There is street parking on Rookwood Avenue, Saunders Streets and O'Dell Avenue. There is also a small parking lot in Wilmot Park that can be accessed from Saunders Street.
