

Point Series Event 12 - Not The Honolulu Marathon

Saturday December 09th, 2023
Mactaquac Provincial Park

It was a beautiful crisp morning for a run. The first event to start, the 1/2 marathon distance, had 7 hearty souls toe the line. It was cold, but there was no wind and the sun was rising. It was evident that they were a pretty strong group of runners, as you will note by their times below.

It appeared that the 1/4 distance marathon (10+km) was the event of choice on the day. There was a large contingent of costumed runners, who all appeared to be having fun. Santa Claus even made an appearance too. He was no doubt using the run as part of his taper leading up to the big day coming soon. There were hula skirts and wildly coloured Hawaiian shirts galore adding to the infectious spirit of the event.

From a record keeping perspective, I had a tough time putting a name to everyone's face, so if there are any errors or omissions in the results list below please let me know. (Send me an email at info@ccrr.ca) The time-keeping was primarily for the points series, and could have been done on placement alone. So, the times may not be accurate to the 1000th of a second. And, to top things off there was even some math involved in calculating finishing times in the 1/4 distance.

The event did confirm this year's leader in the point series. With her strong run Janet earned enough points to keep her position in first place. Congratulations Janet, congratulations everyone.
