

## CCRR&W Point Series, Event #1, Guess Your Time, 5 km, Bill Thorpe Walking Bridge ParkRun, January 13, 2024

Nice cool morning. Definitely winter running, but a lot better weather than later in the day. It was a great turnout for the first event of the year. Some pretty good predictions too. Amelia Beaney was the closest, being only 16 seconds off her predicted finish time. On the men's side Harry Drost (virtual participant) just edged out Mike Stapenhurst by 2 seconds. They were 52 and 54 seconds off their predicted finishing times.
