

Fredericton Marathon Weekend
May 10-11, 2025
Point Series Event #5 Results

The club was well represented during this weekend of running events in Fredericton. Club members participated in many of the running events and were also seen volunteering in many different roles. Our booth at the expo, to promote the club and the Fall Classic Running event in September, had a lot of traffic as it was placed just after the registration desk. Good job everyone. I have put together this table of results from what I was able to gather online. If I have missed anyone, please let me know. The “running” points tally will be available on our club’s event page. You will also be able to see other upcoming events on this web page.
