Mary Ellen Reddon		V2	45
Debbie Reddon		V2	45
Paul Looker		V3	42

Congratulations to all club members that participated in the Tom Reddon Metric Marathon. (Including the walkers whose results were not included in the results above: Tony and Helen Tremblay, Gerry McAllister...) It was a great day for a walk or run. And, the post-race refreshments at Picaroons were a hit too.

Please feel free to let me know if I have overlooked your results. I can amend the above list at any time.

Paul Looker
